

ACTIVITIES WEEK 2017

Years 7, 8 and 9

Monday 17 July
to
Thursday 20 July

ABOUT ACTIVITIES WEEK

Our Activities Week is scheduled for Monday 17 to Thursday 20 July 2017. During these four days, the normal timetable will be suspended to allow Years 7-9 students to participate in activities not necessarily catered for in their normal lessons...activities that will enrich their experiences of a wider curriculum.

We really value the experiences Activities Week offers our students, as there are many opportunities to try new activities, develop new skills and qualities, interact with different people in different environments and engage in the wider community by visiting places of interest.

Students...please read through this booklet carefully and decide with your parents/carers which activities you would like to participate in. Complete the form on the back page and return it to the **Main Office** as soon as possible. **Please DO NOT send any money at this stage.**

Please note each activity has a maximum number of participants so places will be allocated on a first come first served basis. All forms must be returned by **Friday 16 June**. If students have not returned their form by this date, they will be allocated activities to participate in.

As soon as places have been allocated, a letter will be sent with further details including any financial contributions attached to the activities opted for. It is at this point monies should be handed in to the Finance Office. **Please do not return any payments for trips with the form in this booklet.**

Students are **not** expected to wear school uniform during activity days, but should wear clothing appropriate to the chosen activities.

Students already booked onto the France/Germany, Disney and Edinburgh trips do not need to choose any activities.

Please may I remind you that all students are expected in school on Friday 21 July, in full uniform, at the usual time.

Thank you.

Miss A Clark

ANGLING

Expand your experience of fishing and fish. Take part in a competition on the second day with prizes awarded.

You may participate in this activity on: **Monday and Tuesday**
or: **Wednesday and Thursday**

Organiser: **Mrs Denovan**

The activity is open to: **20 students**

Recommended financial contribution: **£9**

Special Requirements: You will need your own equipment, national rod licence and money for bait etc. You will need to be able to get to and from Hallcroft Fisheries each day. Wear sensible and comfortable clothing and footwear. Leave valuables at home. Spending money is optional.

Write on your form: **ANGLING**

BADMINTON

Learn and practice the skills needed to be a top badminton player with the opportunity to gain an award from Badminton England.

You may participate in this activity on: **Monday and Tuesday**
or **Wednesday and Thursday**

Recommended financial contribution: **£40**

Special requirements: **Packed lunch, drinks, sensible and comfortable clothing, valuables to be left at home, spending money (optional).**

Write on your form: **DEEP/MAGNA**

SOUND ENGINEERING

Stage productions and rock concerts are bigger and better than ever due to clever technology and experienced sound engineers. If you've got an interest in what happens behind the scenes of a concert or if you've ever wondered how someone's voice gets from a microphone to the speakers (loud and clear)...then this course is for you.

A two day sound engineering course that looks at how public address systems are set-up and engineered during a rock concert or theatre production. As well as getting an insight into how the equipment is set-up there will be the opportunity to try mixing and balancing sound for instruments and vocalists.

You may participate in this activity on: **Monday and Tuesday**
or: **Wednesday and Thursday**

Organiser: **Mr Alexander**

The activity is open to: **16 students**

Recommended financial contribution: **nil**

Special requirements: **Within school. No experience required**

For people who like music, stage production or sound engineering/mixing

Write on your form: **SOUND ENGINEERING**

TWYCROSS ZOO AND ALTON TOWERS
