

**Teachers
open the door
but you
must enter
by
yourself.**

- Chinese Proverb -

'Teachers open the door but you must enter by yourself,' Chinese Proverb

Reflect on the meaning of the proverb by responding to the questions with a partner, then join in a bigger discussion...

- How do teachers open the door for you?
- Why do teachers open the door for you?
- Why should you go through the door?
- How have you / could you benefit from going through the door?
